31st August 2023

Dear Parent/Guardian,

As you may be aware there is a considerable increase in the number of allergies that children have nowadays. We are asking parents/guardians to be conscientious in the selection of snacks that your child brings to class. This note is to remind you that all nuts and products containing nuts e.g., peanut butter, Nutella, etc. are **not permitted** in school in any form.

In line with our healthy eating policy, children should bring a piece of fruit and bottle of water for break. If your child has any special dietary requirements and cannot eat fruit, please inform their teacher so alternative arrangements can be made. Please instruct your child that they are not permitted to share food with other children.

Please refrain from sending in cakes to school for birthdays. Although cakes may be labelled nut free, this cannot be guaranteed.

Thank you for your co-operation in this matter.

Yours faithfully

C McAteer
