16<sup>th</sup> October 2023

Dear Parent/Guardian,

As we are all aware, technology is moving at such an astronomical pace, it is difficult to keep up. While there are many advantages to technology, especially in education, there are some potential pitfalls.

Children and teenagers now largely have access to technology in every walk of life and it can be difficult ensuring their safety when they are online. These dangers are affecting children across society and in our own parish.

With these dangers becoming more prevalent, especially on the run up to Christmas, our Parish School Cluster of St. Michael's, Killean, St. Joseph's Meigh and St. Moninna's Cloughoge have come together to invite technology and online safety specialist, Wayne Denner, to host an information evening in Killeavy GAA hall on Tuesday 7<sup>th</sup> November at 7pm sharp. The information evening will last around one hour with a Q&A with Wayne at the end.

This event is not only open to parents in the school but to all parents in the parish. This information evening is suitable for **adults only (21+)**. We look forward to seeing you all then.

Yours faithfully,

Mr C McAteer, Mrs I Temple & Mr G Trainor
